Dear Parents,

We are delighted to inform you that Ved International School is offering a wonderful opportunity for our students to showcase their artistic talents at the prestigious Ripple Gallery, located in 7 Seas Mall.

To participate, students are required to:

- Create a painting based on a given theme, selecting one topic of their choice.
 - Use A3 size paper for their artwork.
 - Submit their completed drawing to their respective class teacher by 18th November 2025.
- ◆ Parents may guide their children with ideas or suggestions, but must not assist in the actual drawing or colouring.
- ◆ This ensures that each submission reflects the student's own creativity and effort.

Selected artworks will be proudly exhibited at Ripple Art Gallery. The date and time of the exhibition will be shared soon. Among the selected entries, the top three artworks will receive special awards in recognition of their creativity and effort.
